In response to the Notice of Non-compliant Amendment mailed July 18, 2006, please consider the following:

The Notice states that the last response to the non-final Office Action, mailed April 6, 2006, was incomplete because a complete listing of all of the claims was not included. Applicant respectfully disagrees with this assertion.

The present application was filed with misnumbered claims due to claim 38 being inadvertently typed as 48. Therefore, the present application was filed as claims 1 – 37 and 48. The present application never included claims 38 – 47. Thus, the latest response to the non-final Office Action included a complete listing of all of the claims that were originally filed.

If the Examiner has any questions or concerns regarding this application, please contact the undersigned at (612) 312-2211.

Respectfully submitted,

Date: 8/04/06
